INTRO ---- C-G-Am-G-Dm-F-G

Verse-1---- Am-C-F-C-G

I was the one to call the shots
Dreamed my dreams heart and soul
Answered only to myself
Never giving up control

Pre 1--- Am-G-Dm-G-Am-G-F

Till the one day, that brought me to my knees
And I would never be the same

Chorus C-G-Am-G-Dm-F-G

C-G-Am-G-Dm-F-G

Am-G-F-G

Once upon a time the story goes
I laid it all down and let it go
To lose it all, to lose it all
I took a step of faith and said goodbye
Everything I had I left behind to find
True life
All I longed for I found finally
At the end of Me

Now they're gone those wasted days
The selfish soul the emptiness
Love moved in they've been replaced
That old life is laid to rest

Pre 2 --- Am-G-Dm-G-Am-G--F#/D--F

Now the new me is stronger day by day
I will be the same

Bridge F#min-F-Am-G-C

F#min-F

Like a answer to a prayer
Jesus you were there
Calling me to live to die to give to gain
And I'll never be the same

Last Chorus C-G-Am-G-Dm-F-G

C-G-Am-Bbmaj-Dm-F-G
Am-G-F#/D-F

Once upon a time the story goes
I laid it all down and let it go
To lose it all, to lose it all
I took a step of faith and said goodbye
Everything I had I left behind to find
True life
All I longed for I found finally
At the end of Me
